Regency Park Elementary School

SCHOOL FACT SHEET 2022-2023

TwinRivers UNIFIED SCHOOL DISTRICT

TO INSPIRE EACH STUDENT TO EXTRAORDINARY ACHIEVEMENT EVERY DAY

SCHOOL HIGHLIGHTS

Regency Park promotes the inclusion of our students by focusing on meeting their academic, social and emotional needs. Each month, Regency Park focuses on a character trait that good citizens exemplify. Our student leadership team also focuses on good citizenship, organizing many opportunities to donate food and clothing to those less fortunate. Here at Regency, we fully embrace Project Based Learning, a teaching method in which students gain knowledge and skills by working for an extended period of time to investigate and respond to authentic, engaging and complex questions, problems, or challenges. As a culminating activity, each grade level provides an evening presentation for their families. Last, but not least, the staff at Regency Park understand the need for fun! The Regency Park community participates in Spirit Days, Afternoon Sing, and many fun events put on by our Parent Teacher Association (PTA), including movie and craft nights.

Regency Park Elementary aims to develop young adults that are college and career ready. Our academic programs are designed to accommodate all learners through both technology and group interventions including i-Ready, Imagine Learning, ST Math, and Accelerated Reader programs.

EXCELLENCE IN EDUCATION

Academically, our school is one of the top-performing schools in the Twin Rivers Unified School District (TRUSD). Regency Park Elementary boasts high CAASPP scores during the most recent SBAC testing, at 50% proficient or above in Language Arts and 48% proficient or above in math. A huge piece of this achievement is due to implementing Project Based Learning in all grade levels. Students have the opportunity to show what they have learned about the world around them through song, dance, research, drama and other hands-on activities.

NOTABLE ACCOMPLISHMENTS

Regency Park Elementary earned a 2016 Gold Ribbon School Award from the California Department of Education. The Gold Ribbon Awards recognize California schools that have made gains in implementing the academic content and performance standards adopted by the State Board of Education. Our students participate in the annual TRUSD speech contest and have won first place in the past two out of three years.

ENRICHMENT PROGRAMS

Regency Park offers a variety of enrichment opportunities outside of the regular school day including:

- After school classes for Gifted and Talented Education (GATE) students, Early Engineers and Firefly Art classes, Let's Get Moving program offers students opportunities to compete in different sports such as soccer, basketball, baseball, kickball and dodgeball
- Food of the Month program available for students three days a week at our salad bar
- Regency Park participates in Walktober, Two Feet Tuesdays, and May Is Bike Month, where we have logged the most miles of any school in the Sacramento area nine times in the past twelve years
- K - 2nd grade students participate in the TRUSD visual arts program
- 3rd - 6th grade students participate in the TRUSD music program
- 4th graders participate in Link-Up, where they learn to play the recorder and then have an assembly with members of the Sacramento Philharmonic Symphony
- 5th graders will participate in a visual arts program with the Artists in Residency Program, where they will create Spoken Word, dance and drawn art
- 6th graders have the opportunity to attend a 3 day/overnight environmental camp
