

SCHOOL HIGHLIGHTS

Ridgepoint TK-8 is a high-achieving school focusing on Multi-Tiered Systems of Support (MTSS) for academics, family engagement, and socio-emotional learning. Our active PTA provides a variety of activities such as a family picnic, school carnival, Santa's Breakfast, and a Jog-A-Thon. The staff is highly qualified and is committed to academic achievement. You are welcome to come by any time for a tour of the campus and to meet our administrators.

EXCELLENCE IN EDUCATION

At Ridgepoint, our teachers meet regularly in Professional Learning Communities (PLCs) to analyze student data and to plan effective instruction along with student interventions. Teachers plan lessons using units aligned with Common Core State Standards (CCSS) and implement effective teaching strategies. Ridgepoint teachers use research-based educational technology to meet the needs of every student. Professional development opportunities for teachers and grade level articulation meetings enhance the professional capacity of the Ridgepoint staff in support of every student on campus.

NOTABLE ACCOMPLISHMENTS

Ridgepoint had increased achievement levels on the CAASPP test for three consecutive pre-pandemic years and is one of the highest achieving schools in the Twin Rivers Unified School District.

Ridgepoint's 7th and 8th grade students have the opportunity to participate in a middle school athletic league including middle schools from across our region in the following sports: basketball, volleyball, and soccer. Our athletic teams are perennial championship contenders, and our students are frequently invited to TRUSD school board meetings to receive recognition for our accomplishments.

Students at Ridgepoint are a caring and generous group. During our yearly Pennies for Patients program, a penny drive that raises money to fight leukemia and lymphoma, Ridgepoint consistently raises thousands of dollars to support medical research. Ridgepoint students also participate in the annual KCRA Kids Can food drive to collect an abundance of food items for families in need.

ADVANCED COURSEWORK

Ridgepoint offers differentiated instruction and intervention during and after the school day to support students at different learning levels. All TK-2nd grade students participate in the TRUSD visual arts program. The 3rd-4th grade students participate in the TRUSD music program. Our 4th graders also participate in Link-Up, where they learn to play the recorder and then have an assembly with members of the Sacramento Philharmonic Symphony. All 5th graders will participate in a visual arts program with the Artists in Residency Program, where they will create Spoken Word, photographs and drawn art. Additionally, our yearly talent show provides an opportunity for students to display their talents to fellow classmates and parents.

Our 7th and 8th grade students participate in a variety of sports, such as boys and girls soccer, volleyball and basketball. Students also have the opportunity during their 6th period classes to enroll in electives that include theater, geography, literature and a math/reading intervention class.
