

## SCHOOL HIGHLIGHTS

Whatever your talent, Rio Linda High offers something for everyone! From comprehensive high school academics and career education to athletics, activities, counseling, and support services. We are a diverse community that embraces and celebrates the many languages, cultures, and special interests of our student and staff population.

- Unparalleled student achievement as students study in rigorous coursework
- Preparing for both college and career is expected at Rio Linda High, which offers Advanced Placement (AP) and Career Technical Education (CTE) pathways
- Our Career Technical Education is articulated with post-secondary institutions and career/industry professionals, which enhances college and career readiness
- Rio Linda High students are highly engaged in campus life and the many leadership, curricular, social, service, and co-curricular programs offered - Link Crew, Safe School Ambassadors, FFA
- Visual and Performing Arts (VAPA) programs - Studio Art, Choir, Marching and Concert Band, Guitar, Piano, Drama - showcase our student's artistic talents
- Our teachers are experts in their field (scientists, writers, mathematicians, engineers, musicians) and all our staff are engaged in supporting the success of our students

## NOTABLE ACCOMPLISHMENTS

Rio Linda offers boys and girls comprehensive athletic programs. Our teams are highly competitive and have won league championships in football, girls basketball, and boys volleyball

- Our academic teams rank high in Academic Decathlon, Poetry Out Loud, FFA, Science Bowl, Knowledge Bowl and SkillsUSA
- Jazz Vocal Ensemble, Choir, and Concert Band have earned superior ratings at music festivals

## ADVANCED COURSEWORK

- Advancement Via Individual Determination (AVID) college readiness course with a focus on scholastic advancement and college success
- Advanced Placement/College Prep Courses: 13 AP courses, Honors, college prep, higher level Math, Science, English, Social Science, World Language, and Studio Art
- 17 American River College courses

## CAREER TECHNICAL EDUCATION

- Digital Media and Television Broadcasting
- Culinary Arts
- Business, Accounting, Entrepreneurship, and Innovation
- Agriculture Science, Mechanics, Natural Resources, Floral Design, Animal Science
- SAFE Credit Union student-run campus branch

## EXCELLENCE IN EDUCATION
