

**Northside Elementary School**  
**2023-2024 School Accountability Report Card**  
**(Published During the 2024-2025 School Year)**

# General Information about the School Accountability Report Card (SARC)

## SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

## Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## 2024-25 School Contact Information

<b>School Name</b>	Northside Elementary School
<b>Street</b>	860 Cave Valley Road

## 2024-25 School Description and Mission Statement

### District Mission -

Our mission is to provide a safe learning environment that challenges all students to achieve academic excellence, develop their creative potential, and acquire marketable career, technical and personal skills.

### School Mission -

The mission of Northside STEAM School is to enrich and engage our students through a rigorous project-based curriculum infused with Science, Technology, Engineering, Arts, and Mathematics. Our new motto, "Educating the Whole Child", denotes our commitment to not only providing a rigorous and engaging curriculum, but our dedication to supporting the social-emotional well-being and growth of our students. We believe learning comes from making connections between ourselves, our community, and the world beyond. We believe citizens are created by practicing responsible stewardship of ourselves, our community and our world. We believe that to be a learning community means to believe that learners are more than the sum of all of their parts, they are a part of an interconnected system comprised of their environment, creating the whole child

### School Description -

Northside STEAM School is located in the Foothills on highway 49 in the rural town of Cool. The picturesque school is

## 2024-25 School Description and Mission Statement

surrounded by nature and located at the start of the Cave Valley Trailhead of the Olmstead Loop providing an inspiring environment for learning. Northside is one of 6 schools in the Black Oak Mine Unified School District and serves students in grades TK-6. Northside has an enrollment of 253 students. Our campus houses a state preschool program and a before and after school Boys and Girls Club.

## About this School

### 2023-24 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

### 2023-24 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

## A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown/Incomplete/NA						
<b>Total Teaching Positions</b>						

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown/Incomplete/NA						
<b>Total Teaching Positions</b>						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2022-23 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown/Incomplete/NA						
<b>Total Teaching Positions</b>						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22	2022-23
Permits and Waivers			
Misassignments			
Vacant Positions			
<b>Total Teachers Without Credentials and</b>			

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22	2022-23
Credentialed Teachers Authorized on a Permit or Waiver			
Local Assignment Options			
<b>Total Out-of-Field Teachers</b>			

## Class Assignments

Indicator	2020-21	2021-22	2022-23
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)			
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)			

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Northside STEAM School provides all students with sufficient textbooks and instructional materials that align with the Common Core State Standards and state frameworks. BOMUSD purchases instructional materials for Northside through a curriculum-adoption process that aligns itself with the state adoption timelines and participates in a curriculum review and adoption process facilitated by the El Dorado County Office of Education. All students in grades 1-6 have chromebooks, and TK-1 classrooms have class sets of iPads. In 2021, the district updated all K-6 math curriculum (Savvas enVision 2021). In 2023, Northside adopted a new schoolwide SEL curriculum called Character Strong. Additionally, the district purchased SIPPS, a supplemental phonics curriculum to supplement our adopted ELA curriculum.

**Year and month in which the data were collected** 1/10/2024

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
<b>Reading/Language Arts</b>	Benchmark Advance - 2016 Step Up to Writing - 2014 SIPPS - 2023	Yes	0%

<b>Foreign Language</b>	N/A		0%
<b>Health</b>	Positive Prevention Plus 4-6 -2010		0%
<b>Visual and Performing Arts</b>	Clara Classroom - Interactive Learning platform		0%
<b>Science Laboratory Equipment (grades 9-12)</b>	N/A	N/A	0%

Note: Cells with N/A values do not require data.

## School Facility Conditions and Planned Improvements

Northside STEAM School was built in the 1950s when there were about 200 students in attendance. In 1982, a multipurpose building was constructed, which included a stage, kitchen, classroom and office facilities. Since then, a grade 6-8 wing was added. Additional relocatable buildings were added in 1988 to house the increased population that had reached 720 by September 1992. In 1995, Northside STEAM School completed an expansion project that included a new library and administration wing, six classrooms and two PE changing rooms. Modernization funds were used during the summer of 2001 to upgrade that portion of the facilities built in the 1950s. New heating, air-conditioning, bathrooms and computer connectivity were added. Landscaping improvements and facility upgrades keep the school fresh and appealing.

The site and district custodial staff maintain all buildings on a regular basis; safety is a top priority. The custodial and maintenance staff consists of one custodian who provides services during the school hours, one custodian who works during evening hours and one grounds maintenance person.

In 2013-14, Northside STEAM completed three major construction projects funded by Measure G: our new kindergarten building; new special day class (SDC) classroom facilities; and refurbishment of the remaining campus buildings, including the lab and garden room. In 2022 a classroom was restructures and improved to house a State preschool program. Additional improvements and repairs include: site installation of new HVAC units, exterior and interior LED lighting, a 64 panel solar array, new flooring in the administration building and a new roof for the multipurpose room.

Year and month of the most recent FIT report

6/2022

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	X			
<b>Interior:</b> Interior Surfaces			X	Deferred maintenance flooring to be replaced in 2024-25
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	X			
<b>Electrical</b>			X	Replaced all flourescent lighting with LED both interior and exterior in 2023
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains			X	Fountains have been repaired since inspection date.
<b>Safety:</b> Fire Safety, Hazardous Materials		X		All deficiencies have been cleared and/or repaired.
<b>Structural:</b> Structural Damage, Roofs	X			
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences		X		Due for replacement in 2024 bond measure if passed, broken equipment has been removed.

## Overall Facility Rate

Exemplary	Good	Fair	Poor

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)						
<b>Mathematics</b> (grades 3-8 and 11)						

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races					
White					
English Learners					
Foster Youth					
Homeless					
Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

## 2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races					
White					
English Learners					
Foster Youth					
Homeless					
Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
<b>Science</b> (grades 5, 8 and high school)						

## 2023-24 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races					
White

## 2023-24 Career Technical Education Programs

--

## 2023-24 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

## Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2023-24 Pupils Enrolled in Courses Required for UC/CSU Admission	
2022-23 Graduates Who Completed All Courses Required for UC/CSU Admission	

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2024-25 Opportunities for Parental Involvement

Parent involvement is an integral component of any successful school, and is a priority at Northside STEAM School. We are fortunate to have an active parent volunteer program. Parents volunteer in the classroom, on field trips, for yard supervision and special projects. Our active PTA supports the educational and enrichment programs at Northside STEAM School. The PTA provides opportunities for community events such as our annual Harvest Festival, Holiday Drive Thru Parade, various fundraising activities and family nights. We offer many options for parents to communicate and be collaborative members in the decision making process at Northside. We have a PAC (Parent Action Committee) that meets three times per year and collaborates on the writing of our Single Plan for Student Achievement. Our district has a FAST (Families and Schools Together) coordinator who focuses activities to partner with our parents and community. We utilize School Dojo as our main tool to communicate with parents. Additionally, we have a presence on social media platforms.

## C. Engagement

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2021-22	School 2022-23	School 2023-24	District 2021-22	District 2022-23	District 2023-24	State 2021-22	State 2022-23	State 2023-24
Dropout Rate									
Graduation Rate									

### 2023-24 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2023-24 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at [www.cde.ca.gov/ds/ad/acgrinfo.asp](http://www.cde.ca.gov/ds/ad/acgrinfo.asp).

## 2024-25 School Safety Plan

We emphasize providing a safe environment for our students and regularly conduct safety inspections of our campus with site and district maintenance. A continuous monitoring of potential safety concerns are evaluated at monthly staff meetings. We conduct systematic evacuation and emergency drills on a monthly basis. Our district utilizes the Catapult Emergency System as a tool for alerting and managing all drills and potential emergency situations. This app allows for all school personnel to be notified on their phone and computer of a potential emergency situation. Blackboard is the communication tool used to notify our parents in the event of an emergency. Alerts are received via email, text and phone. Our school has a closed campus, which allows for a well-supervised environment. We also take measures to protect our students on the internet. The district utilizes Securly to monitor student searches. Students also have access to Kelvin to request mental health supports. More detailed information on our safety and evacuation procedures is in our school safety plan. This plan is reviewed and updated annually with staff and parent input every October. Securly and Kelvin campus security cameras

## D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

## 2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

## 2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

## 2023-24 Elementary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

## 2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

## 2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$11,459	\$3,501	\$7,916	\$73,026
District	N/A	N/A	\$8,870	
Percent Difference - School Site and District	N/A	N/A	-11.4	-1.4
State	N/A	N/A		
Percent Difference - School Site and State	N/A	N/A	4.0	-6.6

## Fiscal Year 2023-24 Types of Services Funded

Additional federal and state programs which supplement the regular education program include: Lottery, Title II Teacher Training, Special Education, McKinney Vento Homeless and Limited English Proficient and Arts and Music Instruction Block Grant. Black Oak Mine provided Title III services through the EDCOE Consortium. The new Local Control Funding Formula includes supplemental revenue generated by English Learners, Free and Reduced qualifying students and Foster Youth. This funding has been targeted to serve educationally disadvantaged youth. Funding for Covid intervention includes ESSER I, II and III, GEER I and II, Expanded Learning Opportunity Grants and In-person Instruction Grant funding. Northside has a school nurse on campus daily, a school psychologist one day a week, 2 days per week counseling support, a PiP counselor 5 days per week, and a speech/language specialist 4 days a week. We provide a Special Day class and RSP program for students with Individual Education Plans, as well as access to services for students identified with needs for occupational therapy, physical therapy and adapted physical education.

## Professional Development

Northside STEAM School continuously upgrades the skills and knowledge of its educational team through a variety of professional development activities. These include district professional development days, site Professional Learning Communities, conferences, workshops and participation in professional development offered by the county office of education. Northside students are released early on Wednesdays so staff can participate in Professional Learning Communities. During this time, grade-like teams work on ELA and Math articulation and site goals. This time is also used to train staff on any newly adopted curriculum. Teacher leaders take an active role in planning and implementing staff development. Specifically in the
